1. OVERALL PROJECT EXECUTION, OUTCOME OR GENERAL COMMENTS
(Please attach a separate sheet if you need extra space)

Uzair finished remove feature flags and update localise content.
Need to enhace more on CS fundamental, OOP, SOLD and how to write clean code.
Instead of changing code and buiding it to see if it works, try to understand the meaning of every line, ask yourself why each line is necessary and what is does.

2. ASSESSMENT
(a)
